Key Goals of The Link Center

Systems Change
Improvement in policies, service design, and service coordination

Service Access
Improve access to person-centered, culturally and linguistically appropriate mental health services and community supports

DSW & Clinical Capacity
Build a diverse workforce to support individuals with I/DD and MH needs

Funded by the Administration for Community Living
thelinkcenter@nasddds.org
The Center’s OUTCOMES are effective, equitable, understandable, and respectful quality care and services that are responsive to diverse cultural beliefs and practices, preferred languages, health literacy, and other communication needs, designed to increase and SUSTAIN self-determination, empowerment, and quality of life for people with co-occurring I/DD and MH disabilities.
